Impact Networking Invites You to Attend Our Upcoming Technology Event on April 2nd!

In the midst of a challenging economy, the need for access to your information across your entire organization has never been greater!

Impact Networking invites you to attend our upcoming Technology Event, where you'll learn how your organization can streamline and automate its business processes by electronically managing, sharing, and storing any type of document.

Our Document Management solution (powered by DocuWare) will increase efficiency and organization at your company, while saving money and eliminating the stress of information overload.
